INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. They say that April showers bring May flowers. Well, it looks like there's an early bloom, because there are plenty of beautiful blossoms for you to enjoy this month in BARELY LEGAL! Like the cute little rosebud nestled between Sahara Skye's legs. Veronica Church's dewy pink petals are spreading like crazy! And look at Violet Gems—wouldn't you love to play in her pretty bush? I know I would! Sometimes you have to stop and smell the pussies roses, so take a good, deep whiff!

Hi, guys! It's Abby the intern. Are you down for a wild ride with Violet? She's tiny, but powerful—and check out those sexy curves!

Hi, Violet! What do you like to do for fun when you're not showing off your drool-worthy bod?

I do ballet, but I also like to go to car meets.

A girly gearhead—so hot! What do you like best about posing nude?

How cute I look naked.

Good answer! So, um, are you bi?

Yes! I love pussy!!!

GREAT answer! Me too! What kind of girls do you like?

I think all girls are hot, so it's hard to have a type. They just have to be nice to me and I'm theirs, LOL.

Wow, you're nailing this interview! What about guys? What kind of guys do you like?

I don't really have a type, as long as they treat me good and have a big dick, haha!

Do you like to give head?

Yes, I do—I get really sloppy with it too! Lots and lots of drool...

Do you like to swallow?

Yes, always! Why let that jizz go to waste?

How do you like to be fucked?

Honestly, I like it pretty rough. I love being totally railed.

What's the wildest thing you've ever done?

I like to drift cars, so probably that, LOL.

How would you describe your dream date?

A night out in a fast car—like maybe an old Ferrari F40—some road head, then dinner and back to the bedroom...

Sounds like a perfect night! What are your future plans?

I'd like to go to school and be an automotive technician.

Wow, impressive. Thanks for talking, Violet! You can poke around under my hood anytime! ★

ASHLEY & FLORA

2 hot 2 resist

Hey, it's Lindsey. I'm sure you guys remember pretty, blond Flora. Her first time in BARELY LEGAL, she only liked guys. Now that she's in college—well, things change!

Hey, Flora! Who's your friend?

Flora: This is Ashley. Isn't she HOT?

Yes, she is! How did you guys meet?

Ashley: We met in the showers in our dorm. They're always really crowded during the day, so I shower late at night so I can be alone.

Flora: Ashley doesn't like people staring at her while she's naked. LOL!

Ashley: Anyway, one night there was this blond girl in the showers, and I was waiting and waiting. You're only supposed to take ten minutes at the most, and she was in there for half an hour!

Flora: I take long showers. That's why I was there so late—to be considerate.

Ashley: Finally I gave up and got in the showers with her. Sure enough, her eyes went right to my cooch.

Flora: I couldn't help it! You're hot, Ash.

Ashley: I got so mad, I went right up to her and was all, "Here, how about a close-up," and I pulled her face down into my pussy.

Flora: I didn't know what to do, so I just started licking.

And you never licked pussy before that?

Flora: No, but she was naked, and I was naked, and the hot water was shooting down on us.... It felt natural.

And Ashley, you just went along with it?

Ashley: I wanted to push her away, but I couldn't!

How did you know what to do, Flora?

Flora: I just thought about what feels good to me. I spread her lips and just zoomed right in on her clit, licking hard. That always makes *me* come the hardest.

Did she make you come, Ashley?

Ashley: Omigod, so fast!

photography by e.i.p. studios

Did you return the favor?

Ashley: Yes, but not that night.

Flora: It took Ashley a while to be comfortable with licking my pussy, but that's okay, 'cause she's awesome at it now.

Ashley: Flora has opened my mind to a *lot* of things. I don't even mind people staring at me naked anymore! I really have to thank her.

I think we should *all* thank Flora! ★

Konnichiwa, bitches! I'm Allie the intern, and this is 18-year-old exchange student Shizuka from Japan. She speaks English good...uh, well? Whatever! More importantly, she's, like, fluent in the language of love!

Hey, Shizuka! So, what's the best part of your body, and why?

My boobies. My nipples are really sensitive. I get turned on when guys touch them. Just *breathing* on my nipples makes me want to have sex. **What is your favorite thing to do in bed?**

Um, have sex? What else is there?

You don't like oral sex? Blowjob?

I do like to suck dick. But it's not as much fun as sex!

What's your favorite position?

I like it from behind. But I also like just having a guy on top of me. -----➔

AGE: 18
HEIGHT: 5-3
WEIGHT: 110 POUNDS

Where do you like a guy to come?

On my tits or my face. I love the feel of hot cum.

What's the wildest sex you've ever had?

I had sex in an elevator with an older guy. He was a friend of my father!

So, you like older men?

Yes. I like guys who can take charge in bed. Older men know what they want and how to treat a girl.

Do you like having sex in public?

I want to! Japan is so beautiful in spring. But I would get in a lot of trouble!

Would you ever shave your pussy?

No. I think I look sexy with hair—like a grown woman. Also, I would *not* want to get a razor too close to my pussy!

What's your ultimate sexual fantasy?

I want to meet a handsome American guy and have lots of sex and a romance that I'll remember for the rest of my life. The kind you read about in books.

Did you like posing nude? Did it make you feel hot?

Yes! I wanted to fuck so bad! It was fun to strip and have photos taken of me. I felt like an idol. I hope guys will like my pictures! ★

Hey, it's Lindsey. College cutie Veronica is quite the bookish babe. And now she's showing off her sweet face and pussy in *your* favorite publication!

About me: I was pretty shy when I was younger, but I've opened up a lot since starting college.

Favorite pastime: I love reading. I enjoy curling up with a good book almost as much as I like hooking up with a nice dick.

Best physical feature: My eyes and eyebrows—oh, and my booty. I think it's pretty cute!

Secret talent: I write poetry. Haiku, mostly. It's a style from Japan, but I write it in English.

Favorite way to masturbate: With my fingers, and sometimes with a vibrator.

Guilty pleasure: I'm a big fan of the *Twilight* books. I know—they're cheesy, but they're fun.

Favorite position: Face-down and ass-up, getting pounded from behind.

Biggest turn-on: When a guy kisses my neck.

Favorite guys: Men who are smart but also aren't afraid to take charge—especially in bed.

Favorite place for guys to come: In my pussy. I love creampie.

Wildest thing I've ever done: I gave a guy a BJ in the school library. I was so scared we would get caught—it was crazy exciting!

Favorite fantasy: I'd love to have a threeway with a guy and another girl.

Dream date: A nice dinner and an open mic poetry night, followed by hours of sex.

Future goal: Someday I would like to open a bookstore that hosts readings by cool new authors. ★

Hey, guys. Stacy the intern here. Porn goddess Sahara isn't just a pretty face and pair of big, juicy boobs. She's a girl of many talents...and she has big, juicy boobs! Wow!

Hi, Sahara! That's a nice name.

I think it fits me perfectly because, not to be stuck-up or anything, but I'm as hot as the desert.

You really are! But not dry like the desert, I hope...

What? No way! I'm always wet and horny.

Me too! Is that why you like doing porn?

It's a nice bonus to get paid to fuck, but really, my favorite part about the job is all of the cool people I get to work with. Porn people are free thinkers—we're open-minded and enjoy sex. There's no shame in that!

Well said! What do you think your most appealing physical feature is?

My boobs. Or my smile. I can't decide. I keep going back and forth. What do you think?

I think I'd love to go back and forth between your smile and boobs! So what kind of guys do you like? Do you prefer a big dick to match your big titties?

I don't really care as far as size goes. For me, it's all about personality. That, and how well they eat pussy.

Yes! And how do you like to be fucked?

It depends. Sometimes slow and tender, sometimes hard, fast and rough. But I always enjoy a little bit of naughty kink mixed in.

What do you like to do for fun?

I like to dance—I think I'm a pretty good dancer, if I'm being honest. Oh, and I play the harp.

Wait, what? The harp?! You mean, those old-timey things with all the strings?

I know, it's pretty old-fashioned. But I love the sound of the harp, and it's a really sexy instrument. Plus, guys get so turned on when they see how nimble I am with my fingers. ★

Hi, Rachel the intern here with perky high school cheerleader Isis. She can't wait to start college in the fall, but she's not gonna wait 'til then to start having grown-up fun!

Hobbies: What, like, stamp collecting and stuff? Between school, cheerleading, parties, boys and hanging with my friends, I don't have a lot of free time.

Relationship status: I'm single. I don't want to, like, get into a serious relationship before I go off to college—but I wouldn't say no to a quick fling.

What do you look for in a guy? I like guys who are funny and sweet. I don't think I have a type, exactly. I've dated all kinds of guys. Wow, that sounded really slutty, didn't it? I just meant, like, jock, nerd, whatever—you *never* know who you're gonna hit it off with.

Turn-ons: Big arms, big brains, big, *um*, other things...*hee-hee*.

AGE: 18
HEIGHT: 5-5
WEIGHT: 110 POUNDS
MEASUREMENTS: 34B-23-34
HOMETOWN: GLENDALE, AZ

Turn-offs: Having to ask a guy out and then do all the work, like deciding where to go and what to do and stuff.

Oral sex, yay or nay? Yay! I used to never, ever let guys go down on me, but I recently found out how awesome it can be. Thanks, Jen!

Best feature: I think I have the perfect lips for blow-jays. I love wrapping them around a big, fat cock.

Fave position: I like to be on top—as long as no one's looking through the window at me!

Most amazing sex: On the beach in California with my crush. Well, except for the fact that I had sand in my crack for a week!

Ultimate fantasy: I want to have sex with a stranger—but a *hot* stranger. Maybe we bump into each other at a fancy hotel and, like, do it in the elevator, then go our separate ways without saying a word. Not that I would ever do that in real life! Or would I? ★

TRUE LOVE WAITS

(TILL IT CAN'T
STAND WAITING
ANY LONGER)

When I was 16, I took the purity pledge: “One life, one love.” My stepdad gave me a ring for my birthday, white gold with a ruby-studded heart protected by a cross. I promised to stay pure till I got married. We danced at the father-daughter purity ball. I wore a golden gown, and he vowed to protect me as a regal princess. I believed with all my heart in chastity.

I’ve been so good for so long, keeping dirty thoughts at bay and refraining from ever touching myself, or another person, inappropriately. Then I became a woman two months ago, 18 years old, and my body’s secret desires took control of me.

The first bad thing I did was to masturbate. I touched myself at home, in my shower, with Mom and Stepdaddy downstairs watching the Christian Television Network. I closed my eyes and focused on the hot water rushing down my body. My boobs were swollen and tingly, and a heavy, throbbing sensation pounded between my legs. It was so scary and exhilarating!

I slipped my index finger between my labia. Yes, I know about labes! I learned from Sheila, the crazy Lindsay Lohan sex girl in my gym class. She’s kind of, like, an emo-hippie. I always secretly admired her because she’s such a strong individual and *super* pretty, but she was also kind of slutty—how could we ever be friends? Also, she picked on me. One time in the locker room, she spread her vagina at me. “Ever seen a clit?” She pointed at the swollen, pink tulip. I was mortified, but then I kept thinking about her clitoris all day.

my time playing with my slippery nipples and my wet butt cheeks, but I needed to hurry just in case someone did come in. I’d gotten really good at coming quickly.

When you’re about to orgasm, it’s like the whole world falls away, like you’re blacking out or rocketing into space. That started happening in the locker room. I twitched and wobbled. My eyes crossed. When I groped for the faucet so I wouldn’t lose my balance, I grabbed something else, something warm and soft—*omigod!* It was another human being!

“*Sheila!*” I screamed.

She clamped her hand over my mouth. “Sorry.” Her eyes wandered over my naked body. “What’s wrong with you, janing off here in the open? Anyone could walk in. If you were *that* horny, why didn’t you just tell me? I can show you all kinds of cool stuff.” She leaned in close, her lips brushing against my ear, and whispered, “If you make it with a girl, it doesn’t count as sex.”

It’s true—Sheila couldn’t break my hymen. Unless she used one of those crazy donger things they got in trouble for selling at a gift shop at the neighborhood mall. Still, lesbianism is wrong in the eyes of God. Of course, so is masturbating, so what can you do?

Oh, well. I was dying to find out what it would feel like for someone else to touch my pussy. And with Sheila, I wouldn’t be committing actual fornication or fellatio. Besides, I know for a fact there are girls in my church group who’ve kissed before,

a BARELY LEGAL confession by susanna gott

p h o t o g r a p h y b y d a v e n a z

At any rate, there I was playing with myself in the shower, and thanks to Sheila I knew where to find my clit. I flicked it with my thumb. My body flushed. I had to lie down in the bathtub so I wouldn’t faint, and also to get a good grip on my coochie.

I propped my back up so I could watch my pussy. I stuck the tip of my finger just barely inside my hole (I didn’t want to go too far and devirginize myself!) and jiggled. A weird feeling welled up inside me. It was pleasurable and scary at the same time. It was like little firecrackers popping inside of me—tiny, hot bursts deep inside growing stronger and more intense. I gasped for air. My heart raced. Pressure built up and up until—*whooooooooosh!* I exploded.

Lying there in the bathtub gasping for air, I wondered if I should feel guilty. Maybe it meant I was oversexed or a nymphomaniac, having an orgasm the first time I ever touched myself. Surely there was *something* wrong with me? That night in bed, I tried to read my Bible and pray, but I really couldn’t concentrate on spiritual things. I tossed and turned. I wanted to feel what I had felt again. So I rubbed my pussy till I came. Finally, I could sleep.

After that fateful day, I was 100 percent, 24/7 horny. I knew I was a horrible sinner, but there was nothing I could do to shake the feeling. I could either suffer terribly, or masturbate. Which is what I did, a lot. Masturbate, I mean. I did it in the shower every morning and in bed every night, and also I’d sneak and do it in the bathroom at school. I got bolder and bolder, and less and less ashamed. If I wasn’t careful, I was going to get caught! Which is exactly what ended up happening.

I thought I could sneak a quick girl jerk in the locker room between gym class and lunch break. I figured I was safe ’cause the whole school was headed for the cafeteria. I stood under the shower, rubbing the soap all over my body. I wished I could take

and who knows what else.

"Okay. Where're we going?"

"The science storage closet," Sheila said. "Hurry—we've only got a half hour till fifth period."

There weren't many people in the halls, but I wondered if those who were there noticed anything strange. Like, what is Susanna Gott doing with Sheila Drago? I mean, I go to an all-girls school, so there is a *lot* of gossip. Plus there are lots of rumors about lesbian lovers, but that's a whole other story.

Anyway, I didn't really care who thought what at that moment, because my desires of the flesh were too great. Sheila pulled me into a room the size of a walk-in closet. Shelves covered with dusty beakers lined the walls. A mobile of our solar system hung

into her mouth. I'll just tell you, it felt great. Why did people tell me that sex is bad when it felt like this?

Sheila's tongue trailed down to my belly button. I squirmed. My cooch was almost hurting, I was so turned on. She lifted my skirt, pulled off my panties and nudged her head between my legs.

"Omigod," I gasped. My head was spinning so hard that I used the Lord's name in vain! "Are you about to cunnilingus me?" I didn't know what I was saying. I was so horny that I wanted her to lick me more than anything in the world, but then I was also remembering that cunnilingus was supposed to be especially abominable.

Sheila laughed at me. "I'm about to lick your snatch, if that's what you mean."

"Omigod," I gasped.
"Are you about to
cunnilingus me?"

from the ceiling, and a life-size 3-D model of the human head and torso sat in the corner, staring with lidless eyeballs.

"Gross," I said, staring at its intestines.

Sheila rolled her eyes. "Don't look at him. Here." The floor was cold and hard. Sheila spread her fleece anorak on the floor. I stretched out and wondered what she was going to do to me.

"I'm going to kiss you," Sheila explained.

Her mouth was soft and her tongue was sweet. She was very gentle, much gentler than I would have imagined with her wild personality. I loved kissing her a lot more than I would have thought. I felt dazed, dreamy. She unbuttoned my blouse and unhooked my bra. Softly, she rubbed my titties. My nipples popped up like gumdrops. I shivered. Goose bumps crept over my body.

"You have cute boobs," Sheila said before popping my nipple

She is so vulgar! But that's okay. I was on fire. My legs were shaking. I closed my eyes and moaned as her mouth closed over my coochie.

It was like—I don't know. It was like, you have a vagina, but all of a sudden you have the sun and the moon and stars in your vagina, too. And they are all bursting with celestial energy. That's what it's like when a hot tongue runs through the folds of your pussy and flicks against your clit, and darts in and out of your hole just enough to make you insane.

"Oh God, oh God," I panted, clutching the fleece under me with sweaty hands, squeezing the fabric with every ounce of strength in me. My knees knocked against Sheila's head. I planted my feet on the floor, threw up my hips and groaned.

"Aunnnggh-eeeeeeee!" It was the orgasm of the century.

I barely had time to dress, much less collect myself. We

tumbled out of the science closet looking crazy. I made a beeline for the restroom to smooth my hair, wash my sweaty face and apply lip gloss. I smelled like girl juice, and as I wobbled into fifth period World History, I was sure I must have CUNNILINGUS written across my forehead.

My time with Sheila changed me. I'd seen the truth, and there was no denying—sex is awesome.

Sheila isn't my girlfriend—I am NOT gay. Still, we definitely entered into a weird kind of relationship. We started meeting regularly after school. She'd drive us out to this deserted corner of the Colorado Springs Golf Course and make me lick her pussy in the backseat of her old Toyota 4-Runner. She licked mine, too. A lot of times, we 69ed. I know it's impure and homosexual, but Sheila is a really good friend. We were being lesbos, but we were also getting really close as human beings. She cares about me, and she's unselfish, too, because she introduced me to someone really special and didn't even get jealous about it.

Ean is a farmer. Don't laugh! He isn't, like, Farmer Brown. He's just natural. He raises goats and makes cheese and sells it to gourmet grocery stores. Working closely with the land is something I think Jesus agrees with. But my parents would probably disapprove of Ean because besides goats, he also grows pot. Also, he isn't Christian exactly, but believes in, like, the universe. Plus he's 28 and my folks would die. But none of that makes him bad.

Sheila hangs out at Ean's farm a lot on the weekends. Her mom lets her do whatever, so sometimes Sheila doesn't even come home till Monday after school. Of course I can't do that, but Sheila kept telling me how much I'd like Ean and how I had to go visit, so forgive me, I lied and told my parents I was sleeping over at this girl Bonnie's house one Saturday. I've known Bonnie since we were three. She severely disapproves of what I'm doing, but she'd never tell on me.

Ean lives like 25 miles out of town in this little farmhouse, and of course there are goats all over the place. It's pretty out there. There's also this girl from Boulder named Peace. She helps make the goat cheese, apparently.

So, that night Peace cooked dinner from veggies Ean grows,

and of course they were served with goat cheese. I had never had goat cheese before, and it's kind of weird-tasting, but I have become a very open-minded person these days. I kept staring at Ean during dinner 'cause he's adorable. Later everyone sat around the fire. Ean talked about his childhood in Kentucky and

how it taught him to love the land. His dad wanted him to be an investment banker like him, but he dropped out and moved to Colorado. He was so interesting, and as handsome as Joe Jonas.

It got late. We watched the coals glow in the fireplace. Sheila and Peace had gone to bed—probably together, I might add, but that's okay.

"You're really something, Susanna," Ean said, squeezing my hand. "You have this amazing innocence. Like, you just see so much good in everything."

I blushed. I'd never even been this close to a boy, and now here was a guy telling me he liked me, and he was so cute! I didn't know what to say.

We kissed for a long time. It was different from kissing Sheila, not only because Ean was kind of stubbly and smelled like a guy, but because it was like, I don't know, like *swooning*. Like my heart was swelling up. Why did my church want to keep everybody away from such a beautiful thing?

The kissing got harder, and Ean pulled me closer. Something hard pressed against me—*duh*, I know,

it was his penis. I didn't know what to do, but it sure didn't bother me. Actually, it excited me. He pressed harder and I gasped. My clit got all throbby.

"I'm sorry," he whispered. "Is this okay?"

I nodded. "Actually—do you think—would you show it to me?"

Ean pulled out his penis. I couldn't turn away. It was beautiful! So strong and firm. It wasn't scary and purple and covered with veins like this one girl at church camp told me. I was compelled to touch it. The skin was so smooth and warm, like a baby's! I thought dongs were supposed to be rough. I wanted to taste it. I closed my eyes and opened my mouth.

Ean moaned. To think I could make a guy make a noise like that! I felt so womanly, so powerful. I bobbed my head up and down and sucked. I loved the feeling, the taste. Sucking dick was the most natural thing in the world. It was intoxicating. It turned me on to turn him on.

I pulled off my top and let my boobs fly free. My panties were soaking wet. An animal had been unleashed in me. I wasn't afraid. I wanted to suck and suck, but before he came I wanted to sit down on his boner and ride him like a horsey.

I know—*crazy*. Here I was, a total virgin purity-ring girl ready to straddle this guy I'd just met and pop my cherry like it was nothing. But it wasn't nothing—it was a huge deal to me. I needed to give myself to him right then and experience this totally, well, can I say sacred thing?

I crawled on top and guided his penis toward my wet pussy. Ean groaned and sighed and squeezed my boobies. I lowered myself carefully, inch by inch. It wasn't a problem, 'cause I was so wet—dripping, actually. But I was also tight, and I won't lie, it hurt a little bit. I mean, when you have this tiny vagina and it's never even felt anything bigger than a fingertip, and then there's this big penis, I mean, wow! But we took our time, and soon Ean was all the way in. We moved together, slowly. It was beautiful. I'd never felt so complete. When he was ready to come, he lifted me up in his strong arms, off of his boner, and squirted his cum on my belly.

Forgive me, God, but I think that what I felt with Ean must be the religious experience I have always been seeking. I'm not sure what to do. I want to be with Ean every day, but for now I only get to see him about once every couple of weeks. Once I'm done with school I can do what I want and my folks can't stop me. I can go work on the farm and milk goats, and make love every day.

BTW—I still wear my purity ring. Yes, I'm a fornicator, but my heart is pure, because everything I do, I do with love. ★
